TO :

**ALL ORDINARY MEMBERS OF PEJUTA**

Dear YBhg. Datuk/Dato/Sir/Madam,

**Programme "Continuing Education and Professional Development" sponsored by Lembaga Jurukur Tanah Malaysia for the year 2019.**

**CEPD A/2019 - Participation in Foreign Short Study/Course Programme jointly organised by PEJUTA and partnering a foreign Institution of Higher Learning.**

**CEPD B/2019 - Attendances at regional and International Conferences, Symposiums, Seminars and Workshops**

---

We are pleased to advise that Lembaga Jurukur Tanah Malaysia has graciously approved the Association's application to support this year's "Continuing Education and Professional Development" Programme. Your Executive Council is most grateful to the Board for its continuing and generous support of this programme.

Your Executive Council remain convinced that the ongoing programme will continue to benefit the licensed surveying community and contribute significantly towards increased awareness of related and up-to-date technical and scientific matters and increased exposure to regional and international happenings, environment and culture further uplifting the scientific, technical and professional knowledge of those participating in the activities.

The Surveying Profession must continue to cope with and meet the challenges of a rapidly changing and dynamic marketplace brought about by the advances and convergence of information and communication technologies and knowledge and the inevitability of the globalization process. Licensed Land Surveyors must continue to contribute towards making Malaysia a developed nation by 2020.

**Objective**

The primary focus for the Continuing Education and Professional Development Programme for 2019 is –

- the enhancement of the overall delivery system for the surveying industry;
- extending the role, relevance and significance of licensed surveyor within the national economic landscape;
- enhancing lifelong learning; and
- ensuring the Licensed Surveying community continue to develop competence and capacity to effectively practice the profession in a changing and dynamic marketplace.
